Dear Dr. Fronda,

Greetings from the Smart University Town of Balanga!

We would like to express our sincere appreciation for your office's steadfast support of the City Government of Balanga's educational programs. Your partnership remains vital as we continue to mold the future of our youth.

In line with the celebration of our city's Silver Anniversary, we are proud to conduct the **16th Batang Sining: Creative Expressions Workshop for Students**. This year's workshop, anchored on the theme "Pilak at Sining: Batang Balanga sa Malikhaing ika-25 taon," serves as a creative tribute to Balanga's 25 years of cityhood, showcasing how our young artists contribute to our city's vibrant and evolving legacy.

The workshop is scheduled for **May 11–22, 2026**. Its success relies heavily on the expertise of selected teachers who will serve as facilitators and mentors. These educators will be rendering significant time and effort well beyond their regular duties to ensure our students receive high-quality artistic training.

In light of this, we respectfully request that these teachers be granted **service credits** in recognition of their commitment. Given that the honorarium allocated for their participation is minimal, the granting of service credits would serve as a meaningful acknowledgment of their hard work and dedication to our "Batang Balanga."

Attached is the list of teachers and their designated programs for your verification and appropriate action.

We look forward to your favorable response as we continue to work together in providing holistic and creative development opportunities for our learners during this milestone year for our city.

Thank you.

Very truly yours,

TARRA ANN M. PAGDANGANAN
